SUPPLEMENTAL STATEMENT OF C. DEAN DOMINGUE, ESQ.

1. This statement is made in the above-referenced U. S. patent application. A Notification of Abandonment was mailed to the undersigned on 1 March 2007.
2. The undersigned received a Notice of Missing Parts, with a due date of 10 April 2005. The undersigned personally supervised the preparation and filing of the Transmittal Letter for Submission of Missing Parts which included the Transmittal Letter, Copy of the Notification of Missing Requirements, Declaration, a surcharge for the Declaration, and a stamped postcard. Said package was placed in the U. S. Express Mail (postal receipt included), with the date of filing of 23 February 2005.
3. The undersigned obtained a Track and Confirm Receipt from the United States Postal Service confirming delivery of our package on 25 February 2005 in Alexandria, VA to the U. S. Patent Office. The item was signed for by S. Dyar. This receipt was obtained on 29 March 2005.
4. Additionally, a bank statement is provided, showing the check was cashed by the USPTO on or about 8 March 2005.
5. Also, a log showing the tracking of various items prepared in the normal course of practice by the undersigned's attorney staff is also included. The log shows the docket and calendaring of the Notice; the filing of the Response to Missing Parts; and, receipt of evidence showing receipt of the Response by the U.S.P.T.O. The undersigned's staff has a total of eleven (11) years experience. The undersigned has over seventeen (17) years patent experience.

6. The return post card placed in the Express Mail Package (said Package filed and dated 23 February 2005) was never received by the undersigned.
7. Therefore, the undersigned attorney request withdrawal of holding of abandonment since it is clear that the package was received by the U. S. Patent Office several weeks before the deadline of 10 April 2005. Alternatively, the abandonment was unintentional. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional. If the Patent Office has further outstanding issues, the U. S. Patent Office is asked to please contact the undersigned.
